

JHPC- JOINT HOSPITAL PLANNING COUNCIL- HELPING PROVIDE EXCELLENCE IN EMS CARE

Elizabeth Oliver Hall 2nd floor 200 Mill Hill Ave Bridgeport CT 06610 (203) 384-3911 Fax (203) 384-3639

To all Ambulance Services:

Effective with the new year JHPC will require that you provide us with quarterly updates of your MICS staff. This will better keep track of current licensure/ level of training and CME for these people. In the end we hope it will aid our QA programs.

Thank You

Antonio Napolitano MD
Medical Director Joint Hospital Planning Council Bridgeport Hospital
Attending Bridgeport Hospital Emergency Department
Associate Professor Yale University Emergency Medicine program
